## HOW TO PLAY...

Customers can choose to play by **Instapik** (lottery terminal randomly generates numbers) or by choosing their own numbers with a **selection slip**.

**ONLY IN  
ATLANTIC  
CANADA**

## HOW TO PLAY - INSTAPIK

When players request a **LOTTO 4 InstaPik**, they will need to inform retailers of the following:

- Number of boards: **1 to 5** (Players can play up to a max of 5 boards or sets of numbers on a single ticket)
- The wager amount: **\$1, \$2 OR \$5**
- Type of wager they are looking to make: **Exact Order, Any Order OR Exact & Any Order**
- Number of TAG plays (option to add up to 10 TAG per ticket)
- The number of draws to be played, for up to ten (10) consecutive draws

If a player is playing both the Exact order and Any order and requests a wager amount of \$1, the value will be \$2 (\$1 for the Exact Order wager and \$1 for the Any Order wager).

The lottery terminal will produce one 4 digit number ranging from 0000 to 9999 for every selection requested. Numbers can be duplicated and can be in non-sequential order – example: 4236, 1125.

# HOW TO PLAY – SELECTION SLIP

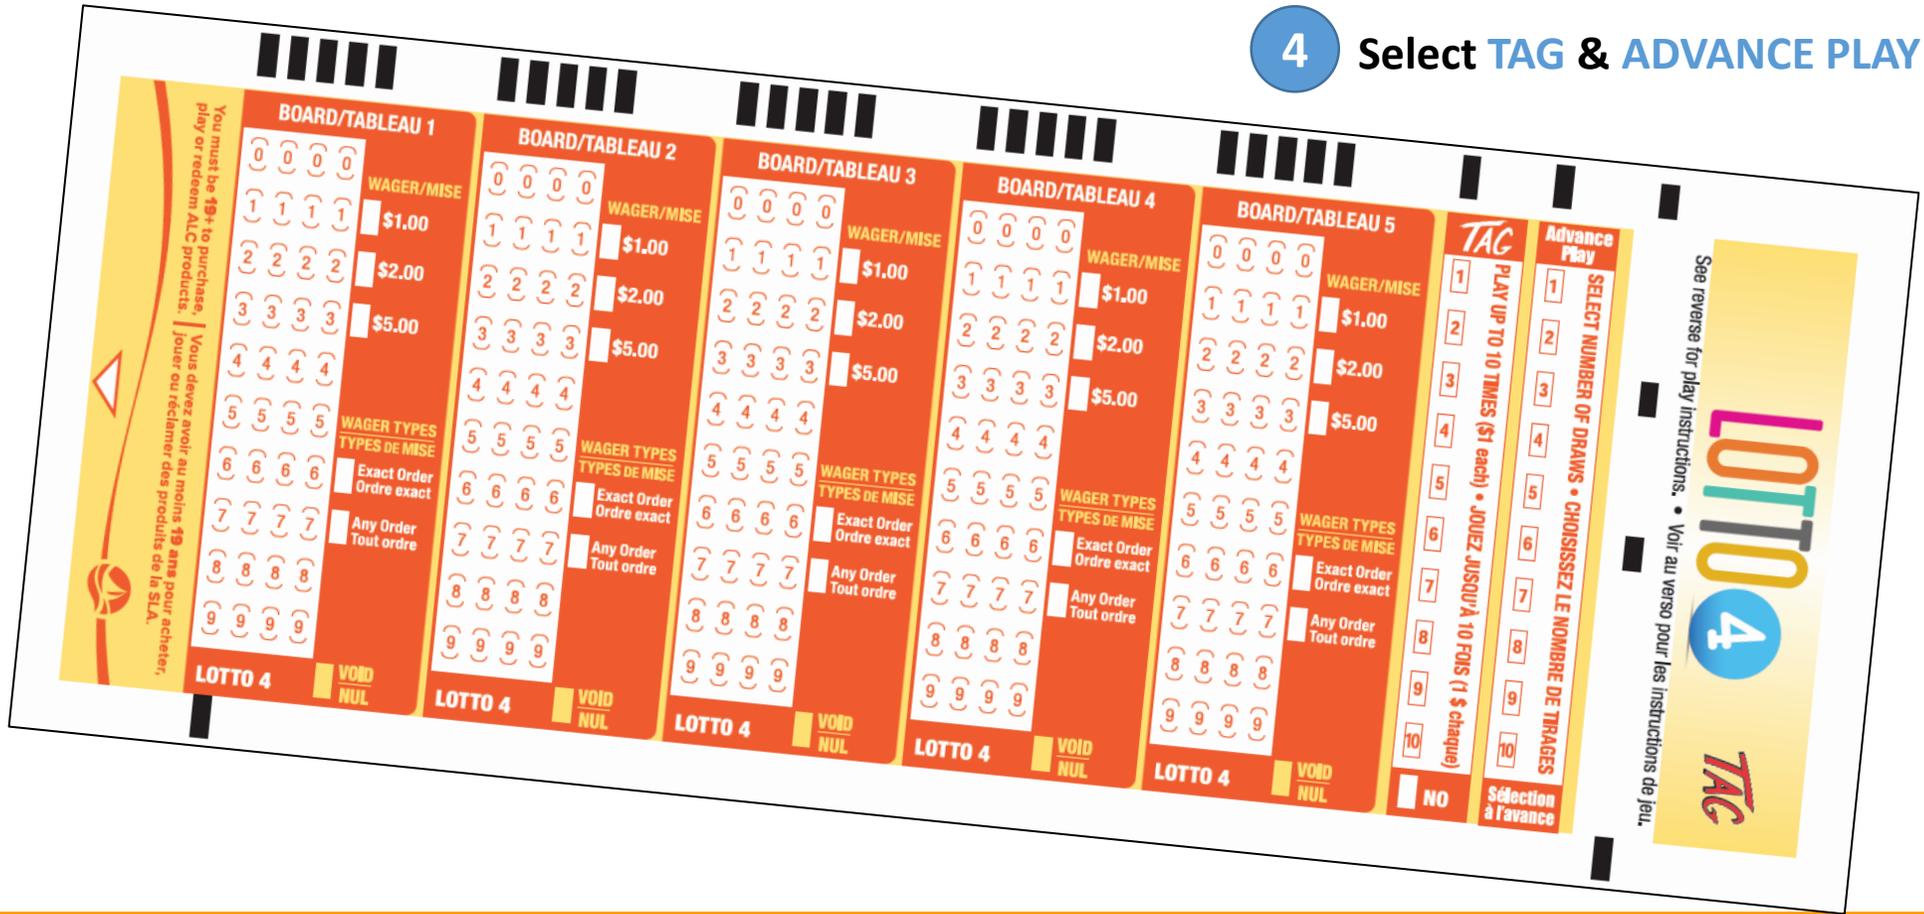

When completing a selection slip, players will need to:

1 Select 4 NUMBERS from 0-9 (for each board)

2 Select WAGER: \$1, \$2, or \$5

3 Select WAGER Type: Exact Order, Any Order OR Exact & Any Order

4 Select TAG & ADVANCE PLAY

## HOW TO WIN!

**EXACT ORDER:** All 4 numbers must match the 4 draw numbers in the exact order drawn. For example: If the player's numbers are 3 5 8 2 and the draw numbers are 3 5 8 2 they WIN!

**ANY ORDER:** All 4 numbers must match the 4 draw numbers in any order. For example: If the player's numbers are 3 5 8 2 and the draw numbers are 8 5 2 3 you WIN!

**Exact Order & Any Order** – Match all 4 numbers in Any Order or Exact Order and WIN!
