

# THE NEW

First Draw Wednesday, September 14, 2022

Exciting changes are coming to LOTTO 6/49 starting with the September 14, 2022 draw! There's no change to the way the game is played, but players will now be playing for **2 Big Jackpots**.

# 1 TICKET 2 JACKPOTS SAME \$3

The 6 of 49 Main Draw is now the **CLASSIC DRAW** and offers a jackpot that is always set at \$5 million.

The **GOLD BALL DRAW** will have a guaranteed winner with every draw. The winner will win either the guaranteed \$1 million prize, OR the growing Gold Ball Jackpot that starts at \$10 million. If not won, the jackpot will increase by \$2 million every draw and can grow to more than \$60 million. The odds of the Gold Ball being drawn improve until the Gold Ball Jackpot is won.

## WHAT'S STAYING THE SAME?

- Price - \$3 per play
- Draws on Wednesdays and Saturdays
- Selection slip or Insta Pik
- TAG and Atlantic 49 for \$1 each
- Players will still receive a 10-digit number (Gold Ball Draw Number) with every play and there is still a guaranteed winner with every draw.
