Introduction

Take a trip down the Nile and experience the mysteries of ancient Egypt!

Just like the extremely popular video slot game enjoyed in the land-based casinos all over the world, Cleopatra™ is a 20 payline game packed with exotic flavour.

Line wins completed with the Wild Cleopatra™ symbol are doubled in value.

Keep your eyes open for the Sphinx - three or more appearing anywhere on the reels start the Cleopatra™ Bonus. Not only do you earn 15 free spins but all wins are 3 times their normal value!

No wonder Cleopatra™ is one of the world's most popular games.

Cleopatra™ Bonus

Sphinx symbols appearing in any position on two or more reels earn you a scatter award relative to your total bet. The more Sphinx symbols appearing, the larger your scatter award multiplier. The specific award values can be found in the paytable.

In addition, if the Sphinx symbols appear in any position on three or more reels they trigger the Cleopatra™ Bonus.

Your effective bet for all of your free spins is exactly the same as the bet you placed when you triggered the bonus.

The awards in the Cleopatra™ Bonus are the same awards used in the regular Cleopatra™ game but are tripled in value. This multiplier applies to all awards except the top award (5 Cleopatra™ symbols).

If during a free spin, Sphinx symbols appear on three or more reels, an additional 15 free spins are added to your current free spin bonus (up to a maximum of 180 total free spins within any bonus round).

After the last free spin, if you had one or more winning outcomes in the bonus, the total of all awards is displayed.

Rules

Malfunction voids all pays and plays.

All payline symbols must appear on a played line and on consecutive reels, beginning with the far left reel.

Only highest winner paid on each payline.

Coinciding wins on different paylines are added. Scatter awards are independent from payline awards and are also added to the total amount paid.

One or more Cleopatra™ symbols completing a line win doubles the award value, except when the line win consists of 5 Cleopatra™ symbols.

Regardless of your bet size, there is an award cap on any single transaction. See the payable for details. A transaction includes the results of the Cleopatra™ Bonus plus the outcome which launched the bonus. If the award cap is reached in the Cleopatra™ Bonus, the bonus may end early before all free spins have been completed.
