

Welcome to DIAMOND HUNTER VIP featuring DIAMOND NUDGES, DIAMOND WILD JACKPOTS and 2X 3X 5X MULTIPLIERS!

## **DIAMOND WILDS**

DIAMOND symbols are WILD. Landing 3 DIAMOND WILDS on line 1 will award the jackpot of 500x the total stake. Landing 3 wilds on any other line awards 200x.

DIAMOND WILDS on reel 3 can multiply wins by 2x, 3x or 5x.

## **DIAMOND NUDGES**

On any spin, a DIAMOND NUDGE WILD can be awarded on reel 3. When this happens the player will be awarded a triggering prize of 3x the total stake and awarded 10 nudges.

Reel 3 will lock into place and reels 1 and 2 will nudge. Any wins will be awarded and nudging will continue until all 10 have completed.

## **WIN MULTIPLIERS**

On any spin, symbols can land with a multiplier of 2x, 3x or 5x. When symbols labelled with a multiplier form part of a win that win is multiplied by the value shown. More than one multiplied symbol in a win can be applied. for example three symbols with of 2x, 3x and 5x would award  $2 \times 3 \times 5 = 30$  x the regular win value.

Wilds on reels 1 and 2 do not have multipliers.

## **HOW TO CALCULATE PAYLINE WINS**

To calculate your total payline win, calculate all payline wins and add them together.

To calculate a single payline win, count the number of identical symbols lined up in sequence on the line starting from the left most reel.

If three or more identical symbols are lined up, find the win value in the dynamic Pay Table. There you can find the value for all symbols for 3 in a row, 4 in a row and 5 in a row. Only the highest winning combination per line is paid out.

If the winning combination starts with three wilds, there can be many ways to interpret the win. In this scenario, only the highest win combination is paid out.

The above doesn't include Free Spin symbols which do not need to be on a payline to award a prize.

After the Free Spins round is completed, all wins are added to any win from the game that activated the Free Spins.

## **RETURN TO PLAYER**

The RTP cannot be affected by player strategy.

The overall theoretical RTP is 94.08%.

## **MAX WIN**

Any combination of wins in a single game is limited and will not exceed \$250,000.00. It may not be possible to reach this limit in a single game from every bet configuration.

## **ADDITIONAL INFO**

There are 9 pay lines, all of which must be played.

Malfunction voids all pays and plays.

Collection feature has no influence on the random award of the feature and is purely for entertainment purposes.

## **Menu**

### **Home**

The home button returns you to the casino lobby.

### **Pay table**

Within the game menu, press the "i" icon to view pay table and game information.

### **Help**

Within the game menu, the "?" icon opens the game's help file.

### **Sound / Music**

Use the sound option to mute or enable all game sounds. Where applicable, you can use the music option to turn off just the background music, while leaving other game sounds on.

## **Other**

Please note, the performance of your network or devices (e.g. the speed of your connection or processor) may have, or may appear to have, an effect on the game such as in making decisions where speed is a factor or the update of progressive jackpot values.

If a bet has been placed and remains unsettled after 90 days, it will become void and be forfeited to charity.
