

About

Happy Holidays is a slot game with a double ended bonus trail and Happy Return multipliers using the Happy Returns™ mechanic.

Game Rules

Playing

- Press the spin button to play the game.
- Select your bet size on the stake interface.
- Press the Autoplay icon to open the autoplay settings (if applicable).
- The game panel will display your current bet, current win, and current balance.
- Turn on turbo mode to play out the game faster (where applicable).

Happy Returns™ Multipliers

- A win threshold and win multiplier are selected on each spin.
- A line win over the win threshold will be increased by the Happy Return multiplier.
- Happy Return multipliers apply to line wins only.

Happy Returns™ Bonus Trails

- Arrow symbols can land on the reels showing 4, 3, 2 or 1. The player is moved along the trail in the direction of the arrow by the number displayed.
- Multiple arrows landing on a single spin are added together.
- Reaching stages 8, 9 or 10 of either trail after all arrows have been dealt with awards a bonus.
- Reaching stage 4 on a trail awards a trail boost to move you further along the trail.

Happy Holiday Free Spins

- Ending a spin on stage 10 of a trail awards 10 Happy Holiday Free Spins.
- In Happy Holiday Free Spins all spins are increased by a Happy return multiplier.
- Additional spins can be awarded by moving along the trails.
- Arrows move along the left and right trails independently without moving backwards.

Easter Bunny's Egg Heist

- Ending a spin on stage 9 of the left trail awards the Easter Egg Heist Bonus.
- Select squares to move around the compound and find eggs to reveal cash prizes.
- The cumulative total of all cash found is awarded at the end of the bonus.
- Continue to select squares until one of the following is revealed:
- Easter Bunny - reveals a multiplier that is applied to the total win and ends the game.
- CCTV - ends the game.

Cupid's Love Meter

- Ending a spin on stage 8 of the left trail awards the Love Meter Bonus.
- Starting on the lowest level the player selects blocks to reveal cash, multipliers or arrows.
- Cash - adds the revealed amount to the win.
- Multiplier - the total win at the point it is revealed is multiplied by the value.
- Arrow - moves the player up to the next level on the love meter.
- Each level of the Love Meter is more valuable with players continuing to select blocks on each level until an arrow is found.
- The game continues until the player reaches the top of the meter.

Santa's Sleigh Escape

- Ending a spin on stage 9 of the right trail awards the Sleigh Escape Bonus.
- Select houses to move around and find presents to reveal cash prizes.
- The cumulative total of all cash found is awarded at the end of the bonus.
- Continue to select houses until one of the following is revealed:
- Sleigh - reveals a multiplier that is applied to the total win and ends the game.
- Santa - ends the game.

Jack O'Lantern's Trick or Treat

- Ending a spin on stage 8 of the right trail awards the Trick or Treat Bonus.
- Starting on the lowest level the player selects doors to reveal cash, multipliers or arrows.
- Cash - adds the revealed amount to the win.
- Multiplier - the total win at the point it is revealed is multiplied by the value.
- Arrow - moves the player up to the next street.
- Each street is more valuable with players continuing to select doors on each level until an arrow is found.
- The game continues until the player reaches the top of the highest value street.

Rules

- Only the highest win per line is paid.
- Wins on distinct lines are added.
- All line wins pay in succession from leftmost to right only.
- Wins are multiplied by the current base stake.
- Wild substitutes for all symbols except for bonus.

Return to Player

- The overall theoretical return to player is 94.08%.

Randomization

- The reels are spun with a fair and equal chance for each stop position by a certified random number generator.
