Cherry Bonus

Whenever a Seven symbol appears on a winning payline, the *Cherry Bonus* progressive increases by the number of Seven symbols on the payline times the line bet. Each time a 5-of-a-kind Cherry line win occurs, a single cherry is highlighted in the *Cherry Bonus* meter. Highlight all 5 cherries in the meter to win the progressive. The *Cherry Bonus* progressive is paid in addition to the 5-of-a-kind Cherry line win.

The *Cherry Bonus* progressive is saved across game sessions. The *Cherry Bonus* progressive is also saved per line bet amount.

The *Cherry Bonus* meter will only increase up to the jurisdiction award cap. Any contribution above that amount is stored in an escrow. When the *Cherry Bonus* progressive is awarded, the *Cherry Bonus* meter will reset to the amount in the escrow, up to the jurisdiction award cap.

Number of Crown Symbols	Free Spins Awarded
3	3
4	5

Every free spin is a guaranteed winner!

During the *Crown Bonus*, the bonus can be retrIGGERED when three or more Crown scatter symbols appear on consecutive reels.

The bonus can be retrIGGERED multiple times, up to a maximum of 300 free spins per bonus. If the number of free spins awarded is greater than 290 and the trigger combination appears again, only the scatter win is paid and additional spins are not awarded.

Rules

Misuse or malfunction voids all pays and plays.

Line wins pay left to right or right to left. All line win symbols must appear on a played line and on consecutive reels, beginning with either the far left or the far right reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the line bet on the

winning line. Coinciding line wins on different paylines are added.

Only the highest scatter win is paid. Scatter wins are multiplied by the total bet.

Scatter wins are independent from line wins and are added to the total amount paid.

Bonus wins are independent from line wins and are added to the total amount paid.

Wins are shown in currency.

In some jurisdictions, regardless of bet size, there is an award cap on any single transaction. See the payable for details. A transaction includes the results of the *Free Spins Bonus* or the *Cherry Bonus*, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

Additional Information

Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular outcome are always the same.

The odds do not vary based on prior outcomes, bet size, balance size, time of day, day of week, etc. For example, if the top award is won on a spin, the chances of winning the top award on the next spin are exactly the same. Likewise, prior losses do not change future odds.

The expected payback reflects the theoretical return across a very large number of plays by numerous players over an extended period of time. The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.
