ADDITIONAL INFORMATION

7 Symbols Are Wild!

The Single 7 symbol is wild and substitutes for all symbols to make winning non-progressive combinations. The Double 7 symbol is wild and substitutes for all symbols to make winning non-progressive combinations. One Double 7 symbol landing in a winning non-progressive combination multiplies prize by 2x. Two Double 7 symbols landing in a winning non-progressive combination multiplies prize by 4x. Only highest winner paid per line.

Progressive Jackpots

Progressive prize-winning symbol combinations may appear in any order on the reels. Progressive prizes are not multiplied by Double 7 symbols.

Progressive tiers are funded by a percentage of all wagers.

Interrupted Game

In the event of disconnection, an interrupted bonus feature may be resumed immediately by starting the game again. The results of a completed reel spin (where display of the visual result was interrupted) will not be re-displayed within the game but may be reviewed in My Transaction History.

Any amount wagered on an unfinished spin will remain paused until you either complete the game, the game is voided, or it's auto completed within 24 to 48 hours. When an unfinished spin is voided, your bet will be refunded to your account.

Game History

The result of a completed game may be viewed in My Transaction History immediately after closing the game window. Results of unfinished games are not displayed in My Transaction History.

Expected Payback

The theoretical average return to player (RTP) is 94.74 – 95.95%. This RTP represents the long-term expected payback of the game which has been calculated by an independent testing lab. Bet settings determine the RTP percentage range; adjusting the bet settings to the maximum number of lines, bet levels, or bet multipliers provides the maximum RTP.
